PRESS RELEASE

Thursday 4 April 2024

ANNOUNCING THE RECIPIENTS OF 44 Artist Residencies at the Centre Culturel Irlandais in Paris for 2024-2025, an Experimental Performance Residency and Research Fellowship

We are delighted to announce the recipients of residencies and a fellowship for the Centre's 2024-2025 programme.

Artist residencies

44 artists across the spectrum of artistic backgrounds will spend at least one month in Paris to develop their proposed projects, which range from experimenting the performance of a solo dance piece surrounded by a full orchestra, developing a feature film that looks at young Irishmen seduced by far right politics, investigating prisoner-of-war theatre productions in camps across Europe, and writing a sci-fi theatre piece for younger audiences that takes place on one of the Aran Islands.

The CCI Residency Programme is made possible by an annual grant from the Department of Foreign Affairs.

We also work with partner organisations in Ireland that co-fund or fully fund residencies.

This year sees CCI partnering some 24 organisations for its artist residencies:

Music Network, Contemporary Music Centre (CMC), Irish Traditional Music Archive, Screen Composers Guild of Ireland, Cartoon Saloon, Visual Artists Ireland (VAI), Irish Architecture Foundation, Print Network Ireland (partnership of 4 print making studios, Literature Ireland, Poetry Ireland, Abbey Theatre, Draíocht, Ealaín na Gaeltachta, Meath Arts
